Just this week: 4 organizations in the Bozeman area received grant funding totaling \$13,800 from the Montana History Foundation.

The City of Bozeman received an \$1,800 grant to scan and upload historic photo negatives from 1983 and 1984. Once digitized, the photos will be uploaded to the City of Bozeman's online Historic Architecture Map. For more information about this project, contact Phillipe Gonzales at (406) 582-2940.

Since 2012, the Montana History Foundation has awarded annual grants to projects and organizations that work to preserve and protect the historic legacy of Montana. This year, the Foundation reached a new record, giving away the largest total amount ever at \$134,451, bringing all-time grant awards to \$843,985.

"Awarding grants is the most important thing we do every year," said MHF President/CEO Charlene Porsild. "The future of these history projects relies on grant funding, and we are delighted to help preserve Montana history by offering support."
