With help from our donors this year...

... we published a new book on the history of Carnegie libraries. Proceeds benefit library preservation.

... author Kate Hampton offered a series of lectures to accompany a statewide exhibit on Andrew Carnegie’s Montana legacy.

... we brought people and artifacts together in Butte for a two-day antiques appraisal fair. Here, board member and professional appraiser Timothy Gordon examines an early Charles M. Russell print for a guest.

... friends of the History Foundation came together to honor the legacy of architect A.J. Gibson at the Gibson Mansion in Missoula.
