The Daly Mansion Celebrity Appraisal Fair Coming September 10th to Hamilton

It might be a favorite antique or heirloom that you prominently display every day, or one you dig out of the closet that you haven't thought about in years. Either way, be sure to bring it to [The Daly Mansion Celebrity Appraisal Fair](#) in beautiful Hamilton, Montana on September 10th and see what the experts have to say about its value.

Appraiser [Timothy Gordon](#) and Auctioneer [Grant Zahajko](#), known for their appraisals on television, will be on hand to assess and give verbal evaluations of items such as fine art, historic objects, and other rarities.

This year, [The Montana History Foundation](#) is pleased to partner with the Daly Mansion to bring the Celebrity Appraisal Fair to Hamilton and western Montana. The historic mansion grounds are the ideal place for attendees to bring special heirlooms for appraisal, while sharing their unique story with appraisers and fellow attendees.

Appraisal tickets are \$20 per item, plus any applicable fees. There is a limit of two ticketed appraisal items per person. Tickets are available in time slots between 9:00 a.m. and 5:00 p.m. on Saturday, September 10th. All tickets are available for purchase through the [Daly Mansion Website](#).
